Session 1: Coordinators Report

9⁰⁰ – 9⁰⁵

Introduction and Welcome (Project Officer)

9⁰⁵ – 10⁰⁰

Coordinator's Report (Christoph Benz Müller, Jörg Siekmann)

- Scientific
 - *the scientific, technological or socio-economic reasons carrying out research in the field covered by the research;*
 - *the research objectives of the joint work;*
 - *scientific highlights of the work so far;*
- Networking
 - *the methodological approach and work plan;*
 - *how the Network functions and how partners collaborate in practice;*
 - *connections to industry;*
- Training
 - *the training program (distinguishing between that for pre- and postdocs)*
- Administrative
 - *summary (table) of use of budget to date and projection until the end of the contract*
 - *any proposed revision to the contract*
- Discussion

10⁰⁰ – 10³⁰

Coffee Break (in DFKI entrance equipped with posters)

Session 2: Tour de table by team (A)

- *Each head of node / scientist-in-charge should present the role and contribution of his research team to the Network, the benefits of the Network to their own work and any criticism.*

Note: the order of talks may still be changed; each of the following talks has 15 minutes presentation time including some very short direct questions afterwards; further discussions are possible at the end of session.

10 ³⁰ – 10 ⁴⁵	UED	Alan Bundy
10 ⁴⁵ – 11 ⁰⁰	UKA	Jacques Calmet
11 ⁰⁰ – 11 ¹⁵	RISC	Bruno Buchberger
11 ¹⁵ – 11 ³⁰	TUE	Arjeh Cohen

14 ⁴⁵ – 15 ⁰⁰	Coffee Break (in DFKI entrance equipped with posters)
-------------------------------------	-------------------------------------------------------

Session 4: Young Visiting Researcher's Reports

Note: Each talk should reserve some time for a critical discussion

15⁰⁰ – 16⁰⁰

Jürgen Zimmer (YVR at UGE and UED)
Martin Pollet (YVR at UBIR)
Corrado Giromini (YVR at USAAR and UED)
Simon Colton (YVR at TUE)

16⁰⁰ – 16⁴⁵

Silvio Ranise (YVR at USAAR)
Adrian Craciun (YVR at RISC)
Luca Compagna (YVR at UED)

(Moderator: Volker Sorge)

Note: Session 6 will provide an opportunity for those YVRs which will not give a formal talk to present their work informally (e.g. by poster presentation or system demonstration); some YVR will do both formal and informal presentations.

Session 5: Young Visiting Researchers Informal Presentations

16⁴⁵ – 17³⁰

- (Organization: Marco Bozzano)
- Informal poster presentations by YVRs
- Informal system demonstrations by YVRs

Note: This session will provide a chance for the project officer and the expert reviewer — but also for the senior scientists — to informally interact with our YVRs. The session will be held in the DFKI Foyer and the DFKI Lecture room and coffee will be available.

Session 6: End of Midterm Review Meeting

17³⁰ – 19⁰⁰

- (optional) Closed discussion between the YVRs, the project officer, and expert reviewer
- (optional) Closed discussion between scientists-in-charge, the project officer, and expert reviewer
- Final discussion and end of Midterm Review Meeting

(Moderator: Alessandro Cimatti)
